

CRAFTEX HAND GEL

Clean, care and protect your hands with Crafttex Hand Gel, an effective 60% ethanol formulation.

Ethanol destroys disease-causing agents and pathogens by breaking apart proteins, splitting cells into pieces and disarranging the cell's metabolism.

Apply as per instructions for best results.

- The Centers for Disease Control and Prevention recommend using hand sanitizers with at least 56.7% alcohol. Crafttex Hand Gel is based on 60% inclusion of ethanol
- This product can be used to refill smaller containers, or with the pump dispenser as required.

Free dispenser
with each bottle!
