EU Type Examination Certificate

No. CE 712016

Certificate administration details:

Technical File Reference: RESXP2V, BEQ122-201-A00

Certificate Amendment record:

Issue date	Comments	BSI Internal Project No.
August 2019	First Issue to the PPE Regulation 2016/425 EU	0086:19:9775999
March 2020	Addition of Respair C models of moulded disposable dust masks	2797:20:3111070

Certificate validity

The manufacturer is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall processes utilised in the manufacture of the product, failure so to do could invalidate the Certificate in respect of production following the introduction of such changes.

Monitoring of Manufactured PPE

The validity is also dependent upon the maintenance of the BSI issued PPE regulation Module D Certificate CE 690890 for the Module D process, the EC Quality of Production by Monitoring.
